SOCIAL RESPONSIBILITY AND FINANCIAL ASSISTANCE

At the Y, we believe in making a positive impact on individuals and families in need. As a charitable nonprofit organization, we offer financial assistance to provide a helping hand, making our programs and services accessible to all. No one will be turned away because of their inability to pay, subject to the availability of funds.

Assistance will be granted based on financial need. Financial assistance recipients will pay a part of the fees, based upon gross household income and the specific needs of the individual or family. The YMCA reserves the right to refuse assistance to any applicant. Financial assistance is a temporary agreement granted for one year. Recipients interested in renewing their financial assistance contract will need to reapply annually to be reviewed for requalification.

Financial assistance is funded through gracious donations from local individuals and businesses. With the help of our donors, the Y provides community benefits in the form of programs and services like:

- Financial Assistance towards preschool tuition for low-income families who do not qualify for ELRC or Norwescap.
