COUNSELOR

IN TRAINING

AGES 13-14 YEARS OLD

Counselors in Training will have the opportunity to make new friends, build teamwork skills and have a great time being a part of the YMCA summer. We are looking for youth that embody our core values of caring, honesty, respect and responsibility. This program gives participants the opportunity to place the needs of others ahead of their own, share what they have learned and be a role model for younger campers.

ABOUT THE PROGRAM

The first year CIT program has been developed to pay special attention to developing the leadership skills of participants. This program in comparison to second year CITs will focus on building leadership skills, learning about the developmental stages of children and exploring the benefits of working cooperatively other youth.

Second year CITs spend a large portion of their day interacting with age-appropriate groups (campers 4 to 10 years old). They will review skills learned from the previous summer, along with taking part in new activities that enhance leadership skills.

All Counselor in Training Sessions are one week options.
