

## Overview

Bucks County has six Pre-K Counts grants from the Commonwealth of Pennsylvania. The grants allow families with children (who are 3 or 4 years old by September 1<sup>st</sup>) to enroll in an approved high quality, pre-school program at no cost to the family.

Included in this packet is the Bucks County Pre-K Counts application for the 2026-2027 school year. Families living in Pennsylvania with children who meet the required criteria will be considered for this five day-a-week program. All families must meet the income guidelines to be eligible for the program. A family of four can earn up to \$99,000 a year and still qualify.

Families who qualify financially and also have secondary at-risk factors (for example: English as a Second Language, Foster Care, Early Intervention Services, etc.) will be given priority consideration for the program.

To apply for Pre-K Counts in Bucks County, complete the application in its entirety. If you are completing the application electronically, please print and then sign the application before submitting it. Families may submit the Pre-K Counts application and all supporting documents to the school district or other contacts listed below.
